Position Sought:

Please respond to these questions and submit it as a PDF to the team.

1. We are a school strongly guided by Buddhist values and practices. As a consideration for alignment, please tell us about your core values, and how they inform the way you live your life.

2. Embedded in our practice, Panyaden contractually requires our team members to engage in five days of silent meditation during a group retreat. The "retreat" is grounded in Thai Forest Buddhist practices. How do you feel about this requirement? What questions come up for you about this?
